**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please allow other competitors to have part because I am a mom of Cerebral Palsy son and I can't afford AT&T, Comcast or any of the bigger corporations. My son uses the internet and gets great joy from it, and it is the only thing he can control well independently and that is a lot for a person who cannot use his legs! Please I am begging you to allow other competitors in the internet/phone services.

Also it's un-American to exclude other companies from being part of this technology! Thank you for your consideration. Cecilia Rosario Azinger
